

For parents of classes VI to XII

Date: 09.07.2021

Dear Parents,

Namaste!

Ekayanaa School has always emphasized on its priority to guide the students and is leaving no stones unturned to help them with the varied resources to enhance their learning. Our belief of providing holistic development opportunity to each and every child and our philosophy that every child is unique, has lead us to bring something innovative and exciting pedagogy for our students.

With this approach, we bring a programme "**SPREAD YOUR WINGS**", a series of webinars, online workshops and orientations for students of **classes VI to XII** (Once or twice in a month). The programme will enrich our Ekayanites to make them future ready. The programme will also provide the opportunity to gain extra knowledge beyond text books. Informative webinars will acquaint our students with the topics that will not only enrich their knowledge but also cater to their personal interests. Workshops will give them hands-on experience of the activities they always wanted to do. Orientations will provide food for their soul to prepare them to face the world with confidence.

Under this programme following events will be organized on Saturday, 10.07.2021 :

Classes	Event	Particular	Resource Person
VI to VIII	Online Poetry Writing Workshop	Breeze of Thoughts	Ms. Sonal Singh (M.A. English Lit., M.A. Education, B.Ed., Certified IELTS Trainer)
IX to XII	Webinar	Growth and Success (Real life indicators)	Dr. Madhvi Singh (Ph.D., M.Com., MBA, B.Ed.)

Details of the programme and the link will be shared with students in their classroom.

Regards

Team Ekayanaa
