

## Circular for Parents of Classes IX to XII students

EKAY/AUG/2021/15

August 26, 2021

**Subject: Offline classes: \*Once a week for Classes 9<sup>th</sup> and 10<sup>th</sup>\* and \*Twice a week for Classes 11<sup>th</sup> and 12<sup>th</sup> \***

Dear Parents,  
Namaste!

This is further to the survey conducted by the school to find out the number of parents who would be willing to send their wards to school for Offline Classes as per the limited permission given by the Govt.

Kindly be informed that very few consents have been received so far. **Based on the limited number of consents and our interaction with other stakeholders, we have decided to continue with the online classes till the Govt. relaxes the permission further in terms of the number of days per week and their continuity without a gap.**

The Covid situation is improving rapidly and we are hoping for a further relaxation in the number of days. More number of offline teaching days and that too in continuity, will make the whole exercise worthwhile. It is noteworthy that if there are gaps in the Offline teaching days, structured teaching is practically very difficult. We can only use those days for doubt clearing sessions. This would lead to shortage of teaching days for transacting the syllabus.

We have also considered hybrid classes i.e. teachers teaching offline students in school and the same classroom proceedings being accessed by the students at home. In such a case, interaction with the students simultaneously in the physical class and students at home becomes a challenge. Doing justice to both offline and online students is almost not possible.

Considering the points mentioned above, we think it will be best if we wait for further relaxation which will enable us to offer the Offline Teaching Programme in an effective and learning centric manner.

Needless to say, we look forward to having our students back with us in school soon.

Kind regards  
Manish Saxena  
Principal
