

Circular for Parents of Nursery to Class XII Students (2021-22)

EKAY/JAN/45

January 19, 2022

Subject: Official attempt for the World Record in World Book of Records (London) India Edition, by the students and educators of Ekayanaa School-reg.

Dear Parents,
Namaste!

It is my immense pleasure to write to you about officially attempting for the world record by the students and educators of Ekayanaa School. As we all are aware that **Azadi Ka Amrut Mahotsav** and **Ek Bharat Shreshtha Bharat** are the initiatives of Government of India and exemplary work is being done under these missions by various Government Departments and Ministries.

Keeping the spirit of these missions in mind and to inculcate love, respect and values for our great country among young children, and to celebrate 75 years of progressive India and the glorious history of its people, culture and achievements, a team of nearly 700 students (from classes III to XII) and educators of Ekayanaa School, Indore have taken up the task to spread these noble initiatives and a small effort to contribute in celebration by attempting for a world record in the **WORLD BOOK OF RECORDS (London) India Edition** for the longest virtual presentation on the themes:

1. EK BHARAT, SHRESTHA BHARAT

(Record will be attempted on 23rd January, 2022, event will start at 9:00 am)

A team of nearly 350 students from classes 3rd to 7th and educators under the guidance of Headmistress Mrs. Sampa Das want to leave a historical imprint saluting mother India and projecting its multidimensional rich essence of cultural diversity and unity through the longest virtual presentation on **“Ek Bharat Shreshtha Bharat”**. The virtual presentation will cover 28 states and 8 union territories on the basis of Basic Statistics of the State, Literature, Culture and Tradition (State Songs, Dances, Poetry, Food Habits & Attire), Mineral Wealth and Resources, Education, Famous Personalities, Flora and Fauna, Economy, etc. The virtual presentation will be approximately 36 hours long.

The objective of this presentation is to promote the thought process that Unity in Diversity is a joy that ought to be celebrated through

mutual interactions and reciprocity between people of different state and UTs.

2. AZADI KA AMRUT MAHOTSAV

(Record will be attempted on 26th January, 2022, event will start at 9:00 am)

A team of around 350 students from classes 8th to 12th and educators of Ekayanaa School, prepared a presentation under the guidance of Mrs. Neha Sinha on few known and many unknown Reformers, Freedom Fighters, Reforms and Movements from different parts of our country and will bring them in limelight through virtual presentation.

The objective of this presentation is to cover the Indian Glory and the personalities behind this Glory in three phases, Pre-Independent, Post-Independent and present.

In the process of making these presentations, an extensive research work for 5000+ hours was carried out through various literature, books and websites available.

I am happy to share that World Book of Records (London) for India Edition has given their confirmation to adjudicate Ekayanaa School for organizing these longest virtual presentations. Students and teachers of Ekayanaa School are going to attempt this World record officially in presence of officials from World Book of Records (London).

Our team of students and educators are looking forward for your good wishes and blessings to accomplish these records.

Link for the events will be shared with all the parents a day before the event. You can join the event through your ward's official email ID given by the school.

Best regards
Manish Saxena
Principal
