Subject: Annual Function for Nursery to class IV regarding

Dear Parent

Namaste

Please be informed that after reviewing, the **Annual Function (Panache-2022)** for **Nursery to Class IV** which was scheduled on **Thursday, December 15, 2022** is being postpone to **1st week of February 2023 (Tentatively February 4, 2023)**.

Because of the following reasons:

1. Children of Nursery to Class IV need comparatively more practice for performance but due to ongoing marriage ceremonies, many children are on leave which disturbs the regular practice required to host the Annual Function properly.
2. Generally, it is observed that weather in the month of February is pleasant and more suitable for Annual Function for young children of Nursery to Class IV.

We hope you will understand and render your continued support and cooperation in this regard.
