**Session: 2023-24**

Date: 17.08.2023

**Subject: EVS Project for Evaluation-1 - reg.**

Dear Parents,

Namaste!

We are delighted to inform you that our students have completed a special project in EVS at school. They have prepared unique and personalized dining table mats for their lunchtime in school. While working on this project, students learnt:

Creative thinking, collaborative working, environmental awareness, enhancing table manners, sense of achievement and they cherished memories.

We hope you appreciate the efforts and creativity displayed by students. Please take a moment to discuss your child's mat making experience and celebrate their accomplishments.

**Please be informed that an amount of Rs. 40/- will be deducted from their imprest money against material and lamination of their table mats.**

Thank you for your continued support and cooperation.
