

Enrichment Activity Term-1 (Session: 2021-22)

Class : VII

Dear Parents,

Namaste!

We pray to the almighty for you and your families' good health.

Summers are here and amidst the lockdown, there's nowhere to go. Let us make this time fruitful and enjoyable for our students.

There is no substitute of good habits, and home is the best place to cultivate them. Please encourage your ward to wake up early, read newspaper/e. paper and keep themselves updated with the latest happenings in the city/country/world.

The students must read their favourite book daily. They should not be out of practice of writing, so encourage them to write a page of English and Hindi.

As you are already aware that the Enrichment Activity is an integral part of the academic assessment process, we have designed the Enrichment Activities for all the subjects for Term-1 of the session 2021-22, to be done during the summer breaks, so that students can engage themselves in productive learning.

You are requested to motivate your ward to complete the assigned activities with lot of consideration and on time.

S. No.	Subject	Enrichment Activity 1	Enrichment Activity 2
1.	English	<p>"I am a Story Teller". Creat an audio of story telling in your own voice. Bring out voice modulation, expression and emotions according to the story. Time limit- 3-4 minutes. A <u>sample</u> is attached for your reference.</p>	<p>Create a cryptogram message giving your friend information about a secret club that you are planning to establish with your close friends. You may name your club, form rules to be followed in it, number of members, place of meeting, membership fees etc. The club will hold a meeting every Saturday and work on the points discussed on Sunday. The activities which you can take up in the secret club could be related to helping some needy person, finding out solutions for personal problems, discussing stories/ news and partying together once a month. (To get more ideas about the club, you may refer to '<u>The</u></p>

S. No.	Subject	Enrichment Activity 1	Enrichment Activity 2
