# Ekayanaa SCHOOL
### Think. Learn. Excel.

## Session: 2023-24

# A workshop on Cyber Safety & Social media conduct

## (Classes: VI to IX)

Use of Social media & Cyber safety are crucial aspect of using the internet and technology responsibly. It involves taking measures to protect yourself and your data from online threats and potential harm.

Remember, cyber threats are continually evolving, so staying informed and adopting good cyber safety practices is essential to safeguard yourself and your digital presence.

**Keeping in view the safety of children, Ekayanaa School conducted workshop on Social media conduct & Cyber Safety.**
