**(Session: 2023-24)**

Amogham - The Ekayanaa Model United Nations conference provided a valuable platform for our students to engage in diplomacy, debating the global issues and enhance their understanding of international relations. Event aim to fostering critical thinking and leadership skills while promoting global awareness. Students represented delegations of different countries, discussed world problems, and have reached the amazing 21st century resolutions. Amogham targeted 15 committees from national and international conferences. We proudly congratulate our students in generating successful leadership and thoughtful solution making skills.
