

Namaste!

Life is not a problem to be solved, but a reality to be experienced...

From the desk of the Principal:

Gratitude is the best attitude. So, I start on a Thanksgiving note to Almighty, Management Team, Educators Administrative staff, Parents and all others closely associated with Ekayanaa School. This year has taught us to be mindful of the blessings that even in the era of pandemic, we are safe and I gladly send you greetings and happiness from the entire Ekayanaa Family for your steady belief in us. I request all of you to place on record the brave hearts who have been working tirelessly putting at risk their own life, all the volunteers, health professionals, educators all over the world. Their selfless service is commendable. Let us in spirit wish and pray for all people who have been affected by the virus directly and indirectly. We appreciate the countless efforts and adjustments you have made, in turn, to accommodate your child's learning at home to launch and deliverable of an Online Educational platform for the session 2020-2021 easy for us. May God bless us in our future endeavours.
