

Information for the parents of classes III, IV and V students Session: 2025-26

ES RAU/JUL/17
JULY 23, 2025

Subject: Importance of Reading and DEAR Activity-reg.

Dear Parents,
Namaste!

We believe that reading is the foundation of lifelong learning and intellectual growth. It nurtures imagination, enhances vocabulary, improves concentration, and fosters empathy in young minds. To instill a love for reading among our students, we encourage consistent reading both at home and in school.

To support this objective, we are excited to organize a special activity:

D.E.A.R. Time – Drop Everything And Read

Under this activity, students will "**drop everything and read**" during a designated time in school on Thursday, July 24, 2025. This quiet, uninterrupted time will be dedicated solely to reading a book of their choice – whether it is fiction, non-fiction, storybooks, or comics (age-appropriate, of course).

We request your support in the following ways:

- Encourage your child to bring a book on July 24, 2025 to school, which he/she enjoys reading.
- Set aside some DEAR time at home too (15–20 minutes daily reading can make a big difference).
- Discuss what he/she reads, it helps build comprehension and interest.

Let us work together to build strong readers and curious learners.

Thank you for your continued support and cooperation.

Regards

Principal
