Subject: - Settling-in Program for Primary Classes – reg.

Dear Parents
Namaste!

As we begin the new academic session, we want to ensure that our primary class students get settle-in comfortably and feel at ease in their new classes. To achieve this, we have planned a special settling-in program for students of classes I to IV.

For the first week various interesting and creative workshops will be organized. These workshops are designed to help students:

- Get familiar with their new classmates and teachers
- Explore the school campus and facilities
- Develop essential life skills and values
- Build confidence and independence

S.N.	Date	Activity	Remarks
1	16.04.2025	Special Assembly and Tie and dye activity	Initial three periods will be utilized for workshop where every student will get the material and perform the mentioned activity. Remaining four periods will be conducted as per time table. Material for all activities will be provided from school and a sum of Rs. 375/- will be deducted from their imprest money account.
2	17.04.2025	Clay Modelling	
3	18.04.2025	Holiday - Good Friday	
4	19.04.2025	Treasure box painting and decoration	
5	21.04.2025	Canvas Painting	
6	22.04.2025	Pen stand making and decoration	

We are sure that students will enjoy these workshops and activities and will learn new skills along with making bond with their peers and educators.

We look forward for your support and cooperation.

Regards

Principal
