#### Subject: Skating activity-reg.

Dear Parents,  
Namaste!

We are thrilled to announce the introduction of skating activity for our students of classes I to IV every week. This program will not only help children develop their skating skills but also promote balance, coordination, fitness, and confidence in a fun and engaging way.

Parents are requested to send the necessary equipments with students. Proper labeling should be done on the entire kit. The kit should include proper fitted skates and safety gears (Helmets, knee pads, wrist guards and elbow guards). For the effective implementation of the activity you are requested to send the kit till 29.11.2025 along with consent form attached below.

Looking forward for your continued support and cooperation.

Kind Regards

Principal
