

Circular for Parents of Class X Session 2020-21

EKAY/DEC/2020/017
January 29, 2021

Subject: Offline Pre-board examination for class X

Dear Parents,
Namaste!

As we all know that X board examination is one of the important milestones in a student's life and preparation also requires practical experience before appearing in final board exams. You are already aware that we have started offline classes for the students of class X from 11.01.2021 and more than 50% of students are attending offline classes in the school comfortably.

Pre-board exam is scheduled from Friday, 5th February, 2021 and the time table has been communicated with students in offline and online classes. We intend to conduct Pre-board examinations in offline mode to give a practical experience to the students. We request the parents to extend their cooperation and support in our efforts to provide opportunity to students to assess themselves and improve upon their written presentation as well by giving consent for their ward to appear in Pre-board exams in offline mode.

Parents who had given consent for offline classes need not send consent again.

In case of any concerns regarding giving consent for offline Pre-board exam, you may write an email on info@ekayanaaschool.com or meet us in person.

Best regards

Manish Saxena
Principal
