

Ekayanaa School, Indore
Circular for Parents of Classes IX & XI
Session 2020-21

EKAY/MARCH/2021/024

March 3, 2021

Subject: Conduct of session ending examination (offline mode)

Dear Parents,
Namaste!

We thank you for sharing your concerns with us and we are equally concerned about the well-being of our students and will never do something that jeopardizes their health. The examination will be conducted in Offline mode, taking all precautionary measures as directed by the MHRD and the State Government.

The performance of your ward in this examination will give us an insight into the learning that has taken place during the academic session 2020-21. It is extremely important that, before moving on to the next class, the core concepts are crystal clear to the students and they are ready to take on the further advanced concepts which will be introduced in the following year. Moving on to the next class without a clear understanding of the concepts taught in the present class will pose an extremely difficult situation for the students.

Keeping the above in mind, the school has decided that, in case a student is unable to secure passing marks in the Final Examination, he / she will be given more opportunities to do the same. But it is compulsory for each student to at least score the passing marks in the Final Examination/Re examination. Obtaining this minimum percentage is not at all difficult for students who have been attending classes and studying regularly on their own. Further, our educators are forever ready to offer any help which your ward may require.

The above decision has been taken to ensure that the students have a strong base and are armed with a required knowledge of the concepts taught in the present class. This will facilitate their learning in the next class in a big way.

The school is doing all possible to ensure that the learning of the students continues in the best possible manner, even in these difficult times.

We hope you will appreciate our thought process in the benefit of students and will encourage your ward to study and perform well with his/her own comprehension in offline mode of examination as per schedule already shared.

Looking forward for your continued support and cooperation.

Best regards

Team Ekayanaa
